## REGISTRATION FEES

You will receive a digital invoice for the Registration fee once your registration is received by our office. Registration is not considered complete without payment. The Registration fee is equivalent to one month's tuition and is used to fund our program during preplanning, as we prepare for a new school year. Registration fees may be paid by check, cash or credit card. You will receive a confirmation placement email once your registration is paid and complete.

We are a non-profit organization, and we do not receive financial support other than what our registration and tuition fees afford us. Therefore, we must formulate our budget and employ teachers based on our registered students. Because of this, **the registration fee is non-refundable unless you move from our community before July 1, 2026.**

### ADDITIONAL FEES

In October, a one-time Activity Fee is charged:

Two day students: \$50  
Three day students: \$55  
Four day students: \$60  
Five day students: \$65  
K-Town students: \$70

Activity fees are used to cover supplemental programs and cultural arts programs throughout the school year.
