## REGISTRATION FEES

At the time of registration, you will be asked to pay a registration fee (August/May tuition will be collected in August). Registration is not considered complete without payment. The registration fee is equivalent to one month's tuition and is used to fund our program during preplanning, as we are preparing the school for a new school year. Registration fees may be paid by check or cash or credit card.

We are a non-profit organization, and we do not receive financial support other than what our registration and tuition fees afford us. Therefore, we must formulate our budget and employ teachers based on our registered students. Because of this, **the registration fee is non-refundable unless you move from our community before July 1, 2025.**

### ADDITIONAL FEES

In October, a one-time Activity Fee is charged:

Two day students:	\$50
Three day students:	\$55
Four day students:	\$60
Five day students:	\$65
K-Town students:	\$70

Activity fees are used to cover supplemental programs and cultural arts programs throughout the school year.
