## WEEK 1 JUNE 15-19 SPACE CAMP

Come with us for an out of this world adventure! We invite young explorers to blast off to "infinity and beyond" with us this week. We will search the solar system for cosmic crafts, astro-activities and stellar snacks! It will be a a blast!

## WHAT TO BRING

Campers should bring a lunch from home and a water bottle each day of Fundays. Please dress in play clothes and appropriate shoes. On Friday, we will have Water Day fun with wading pools, water tables and bubbles. Campers may wear a bathing suit and bring a towel from home on Water Day.

## AGES AND CLASS PLACEMENT

Summer Fundays are open to current FPK students, church members and the community. Summer Fundays are designed for children who will be 3 years old by September 1<sup>st</sup> up to rising first graders.

Campers are expected to be potty trained.

Classes are organized by age so students are with peers. We will attempt to place children with friends when requested. You may request a Camp Buddy who is the same age as your child. All requests must be made in writing on the registration form.

## WEEK 2 JULY 13-17 UNDER THE SEA

Dive into adventure with us as we go under the sea to explore all things ocean. We will have a fin-tastic time learning about underwater habitats and the animals who live there. Come along sea explorers!
